

I need to move to a safer place
as there was a fire where I live.

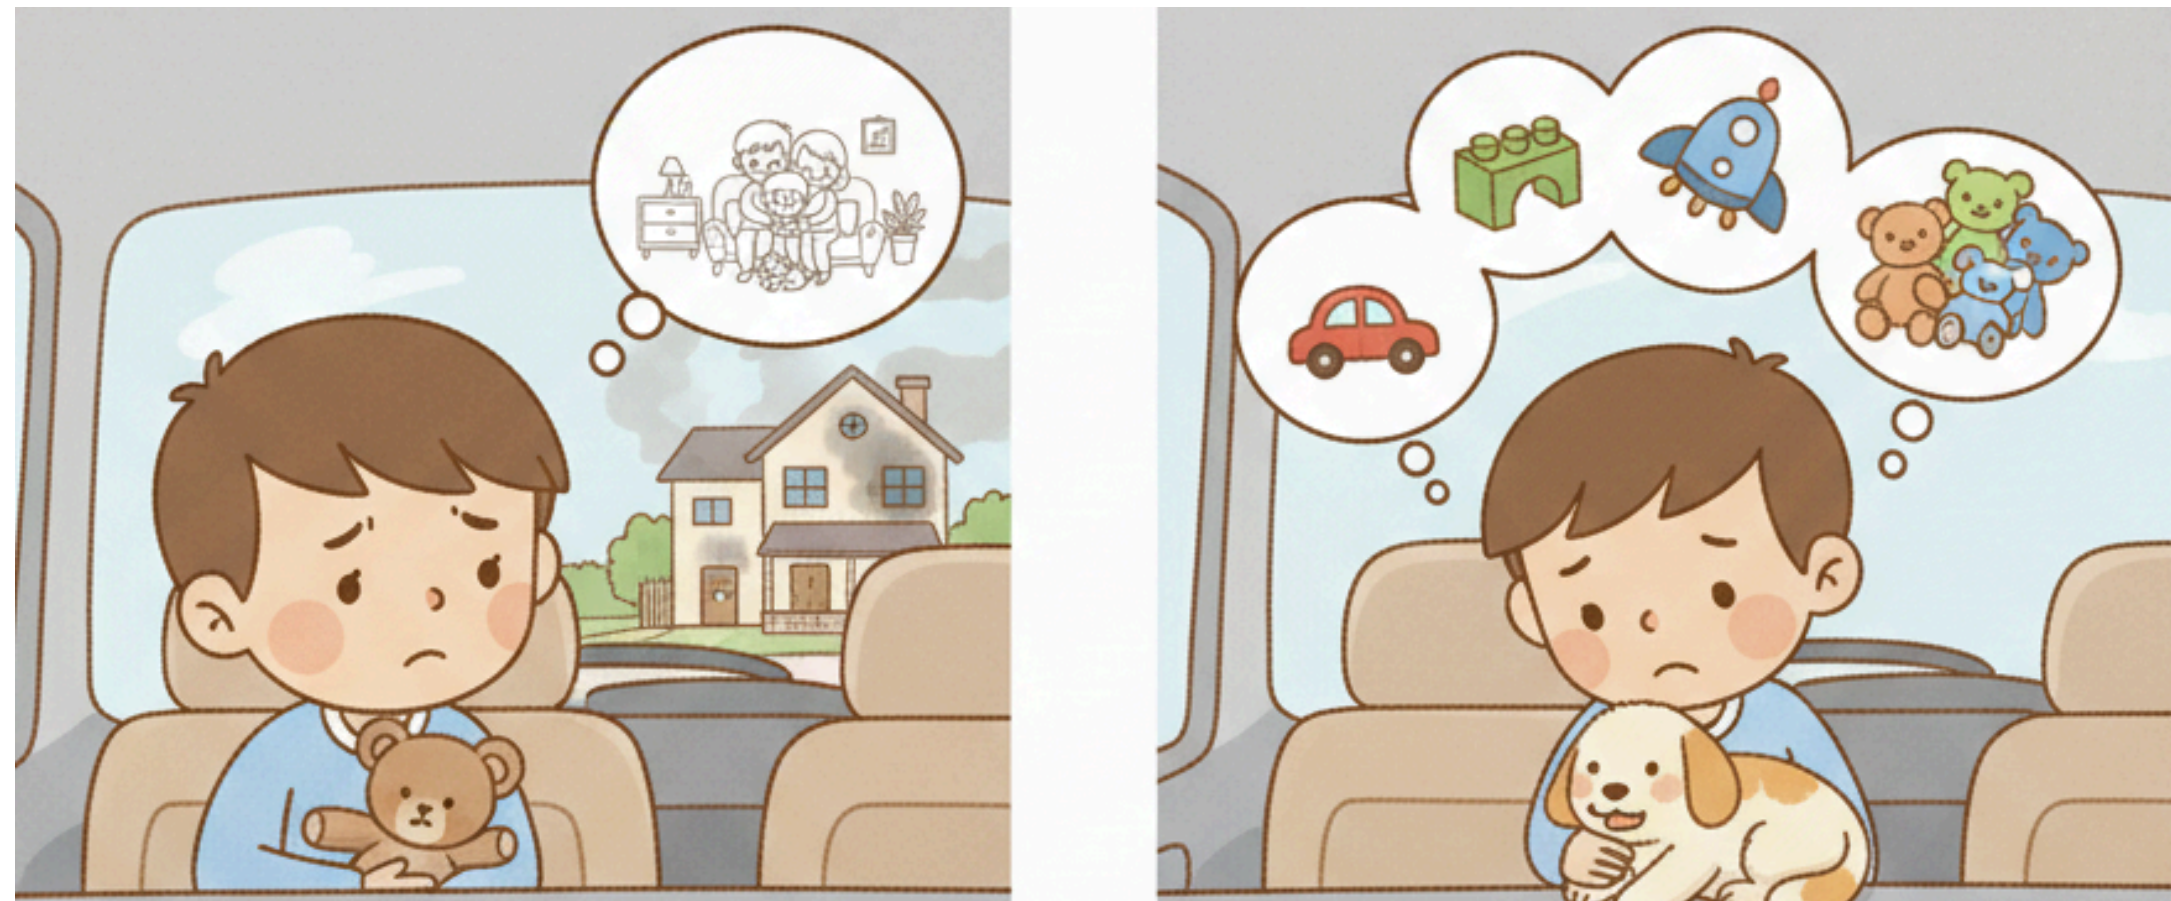

The firefighters are working hard to put out the fire.
I can feel safe.

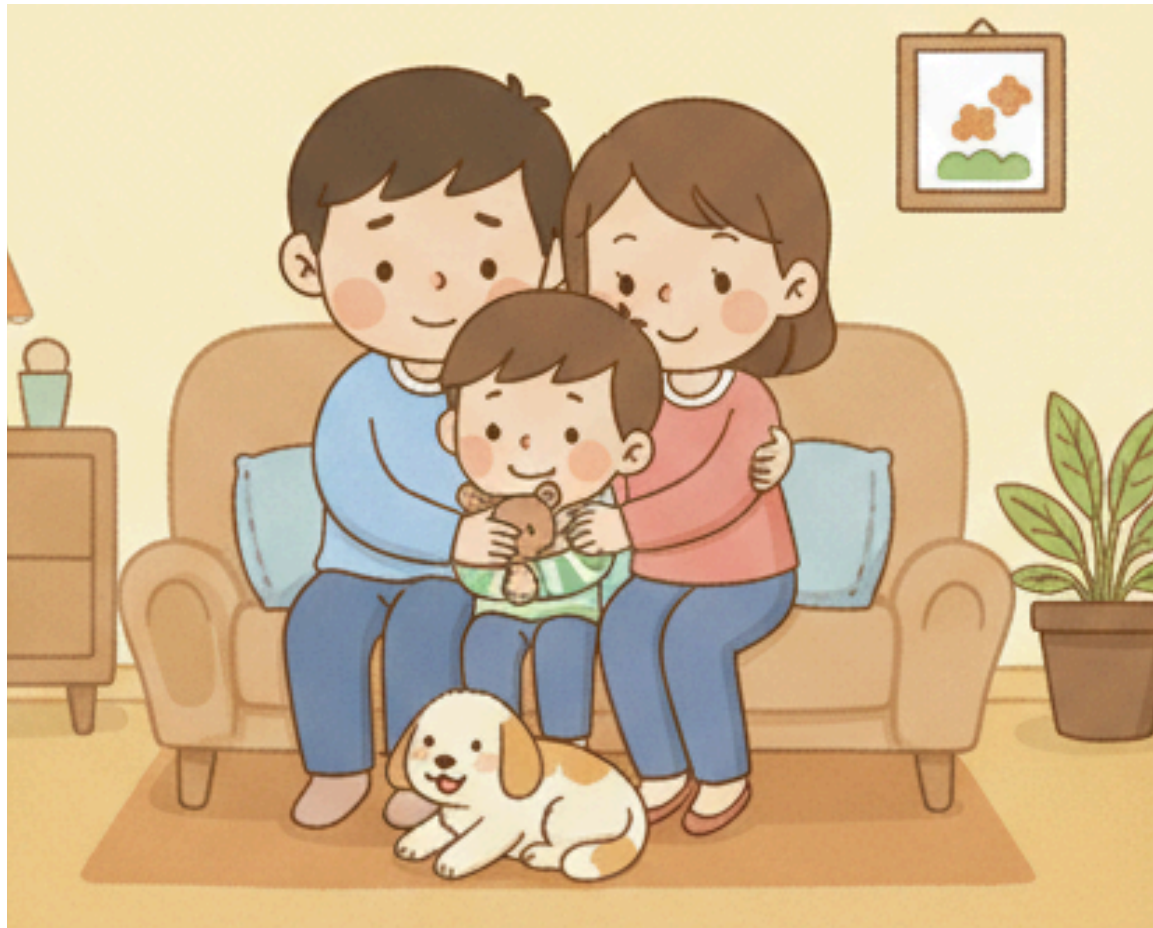

I can feel worried or scared,
I can talk to parents/friends.
They will listen to me.

I will miss my home, my toys, and my pets,
but I know the most important thing is
to stay safe.

With my family and good friends by my side,
we can relax, read and play toys together.

Life might be different thereafter,
like living in a new place,
going to a different school,
or having new toys.
I will learn to be a kid who adapts to change.
